April 28, 2020 Update Notice
2019-2020 Pavement Slurry Seal and Rehabilitation

The City’s contractor, Toro Enterprises Inc., will begin paving of roads on April 30, 2020 for the 2019-2020 Slurry Seal and Rehabilitation Project. The project encompasses local road improvement of Areas B and C as approved in the capital improvement program for fiscal year 2019-2020. Paving operations will affect seventeen (17) local streets, as shown on the schedule below. Hours of operation are scheduled from 8:00AM to 5:00PM, Monday through Friday. The City will continue to post a more detailed paving schedule before work commences, including a list of streets that will be affected. Residents will be notified in advance when street parking will be affected via no-parking signage.

Area_B

Your patience and cooperation while construction is underway and the unavoidable inconvenience of traffic delays that are typically associated with this type of work will be greatly appreciated. If you have any questions or concerns regarding this project, please contact the Public Works Department at (805) 933-4212.

Thank You,
 City of Santa Paula Public Works Department
