Assembly Bill 1826 & SB 1383 both mandate the recycling of commercial organic waste. This means that all businesses and multi-family complexes must have an organics recycling program. Organic waste is defined as: food waste, green waste, landscape, and pruning waste, nonhazardous wood waste, and food-soiled paper waste that is mixed in with food waste.

Reason for Waivers (complete all that apply and provide additional information as required):

- Third-Party or Self-Hauling of Organic waste and/or Commercial Recyclables. A person or organization can collect all Organics and/or Commercial Recyclables from this location, at no cost.** *This includes food donations to people or animals. Please provide a description of the material, the amount generated each week (weight in pounds), and name of collector or organization. If you use this option, your business will also need to fill out Third-Party form and report tonnages.*

Material type	Pounds per week	Name of Company, Address, Contact Name, And Phone #	Activity Conducted with Material (ex. Composted or Feed)

- There is insufficient space for storage or service of hauler provided containers.**
 - Validated by jurisdiction staff, hauler, licensed architect, or engineer.
 - Documentation and pictures must be submitted with waiver request.
- Landscaping contractor hauls landscape waste:** Confirmation that material is not landfilled (e.g. landscaping contract, or statement from landscaping company) must be attached to this exemption
